Follow Up Flag: Follow up
Flag Status: Completed

Thank you for the email. I have attached 2 maps representing the candidate distribution and links to Google maps to the same maps.

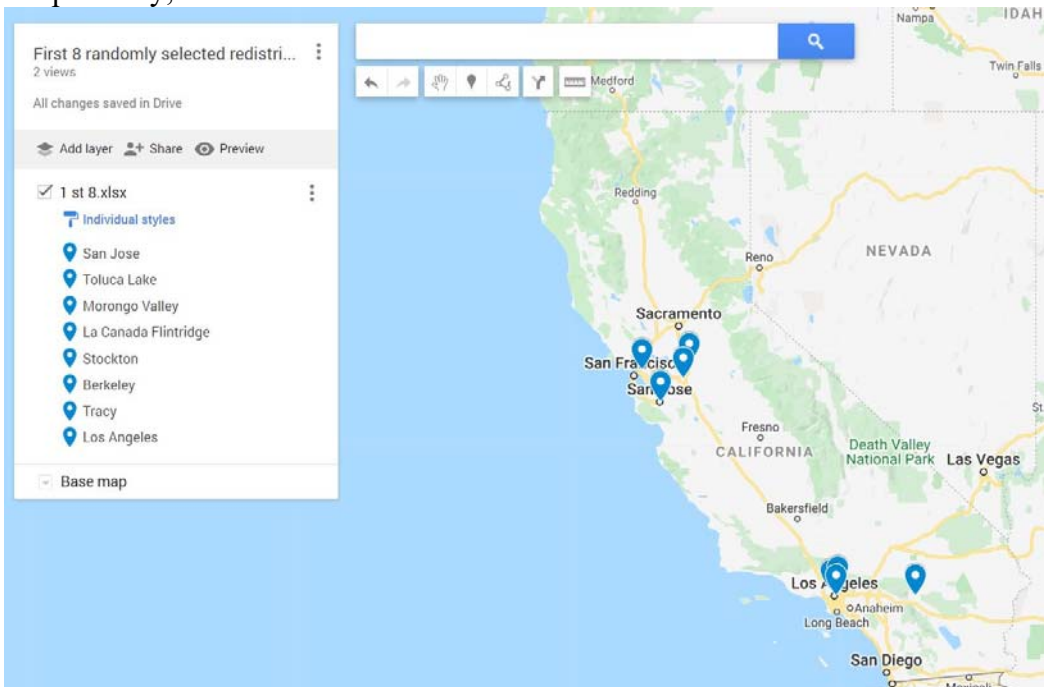

Incorporating maps to the California shaped web pages in the future would be beneficial for the public and add transparency. I have experienced that even generals and senators sometimes are geographically challenged by the locations of towns.

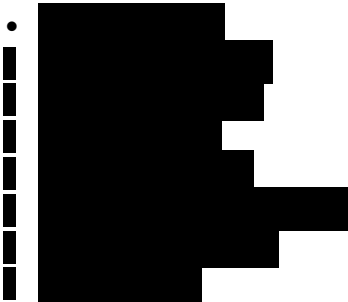

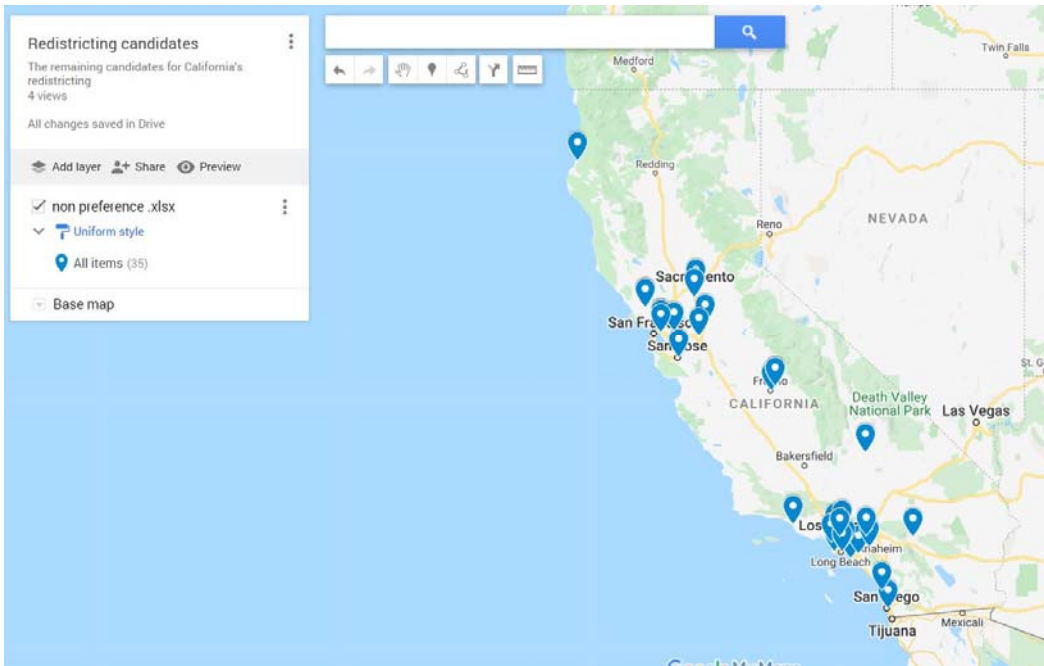

Thank you for doing all the things that you all are doing during these difficult times, at the same time displaying a high degree of professionalism.
