Hello,

i would like to let you know that three times this afternoon i called in to make a comment but was never given the chance to be heard. I was supposed to be in the queue after pressing one-zero, but when the chair asked if there was anyone in the queue, the operator said there was no one in the queue. This was confusing and disappointing to me.

I hope when I call in tomorrow morning that the process will actually put me in the queue and let me comment.

Thank you for your help.

Hello,

I have sent a written comment to the eight commissioners. Would it also be appropriate to call in a comment? If so, when would be a good time to do that, and what number would I call?

Thank you

Byrd Lochtie
