Thank you very much. Can we also ask the commissioners to acknowledge or read out loud a summary of the written comments they received?

It is not clear to me how much written comments are being taken into consideration.

In appreciation,

Good Afternoon,

We have received your comment and it will be presented to the commissioners for their consideration. It will also be posted publically as required by law.

Best regards,

Good Morning,

A few folks tried to call in during the public comment period but it ended very abruptly and we were not able to call in. Can the commissioners let the public know when the next public comment period is?

Best wishes,
