Subject: No Latinos? That's shameful
Date: Wednesday, July 22, 2020 5:10:02 PM

Dear Commissioners,

I am extremely alarmed that your membership does not include a single Latino or Latina, despite our state comprising 40% Latino residents. Obviously, this is disenfranchisement and political malpractice. How can your commission draw boundaries that “preserve the geographic integrity of...neighborhoods and communities of interest“ if there is no representation of Latinos, a cultural and often linguistic community with shared interests and expectations? Shame on your committee if you don't do everything in your power to right this wrong before August.

Regards,
Padric
